Dear Ms. Miledi:

Subject: Recognized Obligation Payment Schedule

This letter supersedes the California Department of Finance's (Finance) Recognized Obligation Payment Schedule (ROPS) letter dated April 12, 2015. Pursuant to Health and Safety Code (HSC) section 34177 (m), the City of Needles Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 15-16A) to Finance on March 2, 2015, for the period of July through December 2015. Finance issued a ROPS determination letter on April 12, 2015. Subsequently, the Agency requested a Meet and Confer session on one or more of the determinations made by Finance. The Meet and Confer session was held on April 23, 2015.

Based on a review of additional information and documentation provided to Finance during the Meet and Confer process, Finance has completed its review of the specific determinations being disputed.

- Item No. 2 – Needles Town Center Real Estate Purchase Money Loan from the City of Needles in the amount of \$788,826. Finance no longer objects to this item. Finance initially denied this item because the repayment schedule terminated in 2013. During the Meet and Confer process, the Agency contended that although the repayment schedule has ended there is still an outstanding balance on the promissory note because there have not been sufficient resources in recent times to fully repay the amounts due. Additionally, the Agency provided a revised payment schedule and an amended repayment agreement with an outstanding balance on the loan of \$563,826. Therefore, this item is approved for payment in the amount of \$100,000 and the outstanding balance should be reported as \$463,826 in the ROPS 15-16B period.

In addition, per Finance's letter dated April 12, 2015, we continue to make the following determinations not contested by the Agency during the Meet and Confer:

- The administrative costs claimed are within the fiscal year administrative cap pursuant to HSC section 34171 (b). However, Finance notes the oversight board has approved an amount that appears excessive, given the number and nature of the obligations listed on the ROPS. HSC section 34179 (i) requires the oversight board to exercise a fiduciary duty to the taxing entities. Therefore, Finance encourages the oversight board to apply

adequate oversight when evaluating the administrative resources required to successfully wind-down the Agency.

In addition, Finance noted the following during our review:

- On ROPS 14-15A Prior Period Adjustment worksheet, the Agency's expenditures exceeded Finance's authorization for the following item:
 - Reserve Balances in the amount of \$89,570 – Item No. 6, \$89,570.

Per HSC section 34177 (a) (3), only those payments listed on ROPS may be made by the Agency from the funds specified on the ROPS. However, this item was determined to be enforceable obligations for the ROPS 14-15A period. Therefore, Finance is increasing the Agency's authorization for the ROPS 14-15A period to ensure that authorization is consistent with expenditures for the approved enforceable obligations. As this Other Funds was previously expended, the increase in authorization should not result in increased expenditures for the current ROPS period, but should merely allow the Agency to reconcile actual expenditures to the authorization.

HSC sections 34177 (a) (4) and 34173 (h) provide mechanisms when Agency payments must exceed the amounts authorized by Finance. Please ensure the proper expenditure authority is received from your Oversight Board and Finance prior to making payments on enforceable obligations.

Pursuant to HSC section 34186 (a), successor agencies were required to report on the ROPS 15-16A form the estimated obligations and actual payments (prior period adjustments) associated with the July through December 2014 period. HSC section 34186 (a) also specifies prior period adjustments self-reported by successor agencies are subject to audit by the county auditor-controller (CAC) and the State Controller. The amount of Redevelopment Property Tax Trust Fund (RPTTF) approved in the table below includes the prior period adjustment resulting from the CAC's review of the Agency's self-reported prior period adjustment.

Except for the item denied in whole, Finance is not objecting to the remaining items listed on your ROPS 15-16A. The Agency's maximum approved RPTTF distribution for the reporting period is \$465,425 as summarized in the Approved RPTTF Distribution table below:

Approved RPTTF Distribution	
For the period of July through December 2015	
Total RPTTF requested for non-administrative obligations	340,425
Total RPTTF requested for administrative obligations	125,000
Total RPTTF requested for obligations on ROPS	\$ 465,425
Total RPTTF requested for non-administrative obligations	340,425
Total RPTTF authorized for non-administrative obligations	\$ 340,425
Total RPTTF requested for administrative obligations	125,000
Total RPTTF authorized for administrative obligations	\$ 125,000
Total RPTTF authorized for obligations	\$ 465,425
ROPS 14-15A prior period adjustment	0
Total RPTTF approved for distribution	\$ 465,425

Pursuant to HSC section 34177 (l) (1) (E), agencies are required to use all available funding sources prior to RPTTF for payment of enforceable obligations. During the ROPS 15-16A review, Finance requested financial records to support the cash balances reported by the Agency. The Agency was able to support the amounts reported except the beginning balance on the cash balance report did not reconcile to the trial balance. Finance will continue to work with the Agency after the ROPS 15-16A review period to resolve any remaining issues as described above. If it is determined the Agency possesses additional cash balances that are available to pay approved obligations, the Agency should request the use of these cash balances prior to requesting RPTTF in ROPS 15-16B.

Please refer to the ROPS 15-16A schedule that was used to calculate the approved RPTTF amount:

This is Finance's final determination related to the enforceable obligations reported on your ROPS for July 1 through December 31, 2015. This determination only applies to items where funding was requested for the six-month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to the enactment of ABx1 26 and AB 1484. This amount is not and never was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the agency in the RPTTF.

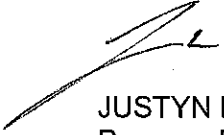

Pursuant to HSC section 34177 (a) (3), only those payments listed on an approved ROPS may be made by the successor agency from the funds specified in the ROPS. However, if the Agency needs to make payments for approved obligations from another funding source, HSC section 34177 (a) (4) requires the Agency to first obtain oversight board approval.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to HSC section 34171 (d), HSC section 34191.4 (c) (2) (B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.
