Ms. Tina Kundig, Director of Finance
City of Redlands
PO Box 3005
Redlands, CA 92373

Dear Ms. Kundig:

Subject: Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (m), the City of Redlands Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 15-16A) to the California Department of Finance (Finance) on February 20, 2015 for the period of July 1 through December 31, 2015. Finance has completed its review of your ROPS 15-16A, which may have included obtaining clarification for various items.

Based on a sample of line items reviewed and application of the law, Finance made the following determinations:

- Item No. 3 – 1998 A Tax Allocation Refunding Bonds payment totaling \$1,842,819 has been adjusted. Although the Agency requested \$143,137 from the Redevelopment Property Tax Trust Fund (RPTTF), Finance is reducing the requested amount by \$82,750 as follows:

The Agency requested, and Finance approved, RPTTF funding for the entire 2015 annual bond-debt service for Item Nos. 3 through 5 on ROPS 14-15B. It is our understanding the Agency received insufficient RPTTF for ROPS 14-15B obligations; although Finance approved RPTTF in the amount of \$4,577,811, the San Bernardino County Auditor-Controller distributed \$3,325,574, leaving a shortfall of \$1,252,237 (\$4,577,811 - \$3,325,574).

To account for the shortfall, the Agency is requesting the \$1,334,987 on ROPS 15-16A for Item Nos. 3 through 5. The amount requested is higher than the actual shortfall by \$82,750 (\$1,334,987 - \$1,252,237). Therefore, the excess of \$82,750 is not allowed and is not eligible for RPTTF funding on this ROPS.

- Item No. 4 – 2003 A Tax Allocation Refunding Bonds debt service payment in the amount of \$806,325. The Agency requested \$806,325 from RPTTF; however, Finance is reclassifying \$121,563 to Other Funds. This item is an enforceable obligation for the ROPS 15-16A period. However, the obligation does not require payment from property tax revenues and the Agency has \$125,000 in available Other Funds. Therefore, Finance is approving RPTTF in the amount of \$684,762 and the use of Other Funds in the amount of \$121,563, totaling \$806,325.

- Item No. 6 – Fiscal Agent Fees in the amount of \$26,250 is partially approved. The Agency provided trustee invoices indicating approximately \$12,600 is due each fiscal year. Additionally, the Agency has included a request to fund \$3,850, which remained unpaid from the 2014-15 fiscal year. To the extent the Agency can provide additional trustee invoices to support the requested funding, the Agency may be able to obtain additional RPTTF funding on future ROPS. Therefore, Finance has adjusted the request from \$26,500 to \$16,450 (\$12,600 + \$3,850).
- Item Nos. 12 through 14, 17, 21, 24, and 29 through 37 – Various Administrative Costs totaling \$124,097. The Agency requested \$2,534 from RPTTF and \$121,563 from Other Funds for these items. However, Finance is reclassifying \$124,097 to the Administrative Cost Allowance. These items are enforceable obligations for the ROPS 15-16A period, and the Oversight Board approved these costs to be paid from the Agency's Administrative Cost Allowance, not Other Funds. Therefore, Finance is approving Administrative RPTTF in the amount of \$124,097 for these items.
- Item No. 39 – Housing Entity Administrative Cost Allowance in the amount of \$600,000. Finance continues to deny this item. It is our understanding the Agency requested funding for this item in anticipation that a Housing Asset Transfer form will be submitted to Finance for review and approval during the ROPS 15-16A period. However, the Agency may be able to obtain RPTTF funding for this item on a future ROPS once it is determined the Agency has housing assets that are eligible for transfer to the designated Housing Successor.

In addition, Finance noted the following during our review:

- On the ROPS 14-15A Prior Period Adjustment worksheet, the Agency expended Reserve Balances without Finance's authorization for the following items:

Reserve Balances totaling \$2,974,810 – Item No. 3, \$1,812,181; Item No. 4, \$788,959; and Item No. 5, \$373,670.

Per HSC section 34177 (a) (3), only those payments listed on ROPS may be made by the Agency from the funds specified on the ROPS. However, these items were determined to be enforceable obligations for the ROPS 14-15A period. Therefore, Finance is increasing the Agency's authorization for the ROPS 15-16A period to ensure that authorization is consistent with expenditures for the approved enforceable obligations. As these Reserve Balances were previously expended, the increase in authorization should not result in increased expenditures for the current ROPS period, but should merely allow the Agency to reconcile actual expenditures to the authorization.

HSC sections 34177 (a) (4) and 34173 (h) provide mechanisms when Agency payments must exceed the amounts authorized by Finance. Please ensure the proper expenditure authority is received from your Oversight Board and Finance prior to making payments on enforceable obligations.

Pursuant to HSC section 34186 (a), successor agencies were required to report on the ROPS 15-16A form the estimated obligations and actual payments (prior period adjustments) associated with the July through December 2014 period. HSC section 34186 (a) also specifies prior period adjustments self-reported by successor agencies are subject to audit by the county

auditor-controller (CAC) and the State Controller. The amount of RPTTF approved in the table below includes the prior period adjustment resulting from the CAC's review of the Agency's self-reported prior period adjustment.

Except for the items denied in whole or in part or items that have been reclassified, Finance is not objecting to the remaining items listed on your ROPS 15-16A. If you disagree with the determination with respect to any items on your ROPS 15-16A, you may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available at Finance's website below:

http://www.dof.ca.gov/redevelopment/meet_and_confer/

Absent a Meet and Confer, this is Finance's final determination related to the enforceable obligations reported on your ROPS for July 1 through December 31, 2015. This determination only applies to items where funding was requested for the six-month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to the enactment of ABx1 26 and AB 1484. This amount is not and never was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the agency in the RPTTF.

Pursuant to HSC section 34177 (a) (3), only those payments listed on an approved ROPS may be made by the successor agency from the funds specified in the ROPS. However, if the Agency needs to make payments for approved obligations from another funding source, HSC section 34177 (a) (4) requires the Agency to first obtain oversight board approval.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to HSC section 34171 (d), HSC section 34191.4 (c) (2) (B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.

Sincerely,

JUSTYN HOWARD
