Ms. Diana De Anda, Finance Director
City of Loma Linda
25541 Barton Road
Loma Linda, CA 92354

Dear Ms. De Anda:

Subject: Low and Moderate Income Housing Fund Due Diligence Review

This letter supersedes Finance's original LMIHF DDR determination letter dated November 9, 2012. Pursuant to Health and Safety Code (HSC) section 34179.6 (c), the City of Loma Linda (Agency) submitted an oversight board approved Low and Moderate Income Housing Fund (LMIHF) Due Diligence Review (DDR) to the California Department of Finance (Finance) on October 10, 2012. Finance issued a LMIHF DDR determination letter on November 9, 2012. Subsequently, the Agency requested a Meet and Confer session on one or more items adjusted by Finance. The Meet and Confer Session was held on December 5, 2012.

Based on a review of additional or clarifying information provided to Finance during the Meet and Confer process, Finance is revising the adjustments made in our previous LMIHF DDR determination letter. Specifically, we are revising the following adjustments to the assets held as of June 30, 2012:

- Property purchase price adjustment in the amount of \$134,843. Due to Finance's determination in its letter dated November 9, 2012 regarding the Housing Asset Transfer Meet and Confer session, the property purchase price adjustment has been reversed.
- In our November 9, 2012 letter, we reported that residual cash balances in the amount of \$140,167 were found subsequent to the submission to the DDR. However, based on the Agency's reconciliation, the residual cash balance has been adjusted to \$107,689. Additionally, the actual Recognized Obligation Payment Schedule (ROPS) payments for the period January 1, 2012 through June 30, 2012 totaled \$62,991. Therefore, the balance as of June 30, 2012 has been revised to \$44,698 (\$107,689 - \$62,991).

The Agency's LMIHF balance available for distribution to the affected taxing entities has been revised to \$44,698 (see table below).

LMIHF Balances Available For Distribution To Taxing Entities	
Available Balance per DDR:	\$ -
Finance Adjustments	
Add:	
Adjustments to the June 30, 2012 balance	44,698
Total LMIHF available to be distributed:	\$ 44,698

This is Finance's final determination of the LMIHF balances available for distribution to the taxing entities. HSC section 34179.6 (f) requires successor agencies to transmit to the county auditor-controller the amount of funds identified in the above table within five working days, plus any interest those sums accumulated while in the possession of the recipient.

If funds identified for transmission are in the possession of the successor agency, and if the successor agency is operated by the city or county that created the former redevelopment agency, then failure to transmit the identified funds may result in offsets to the city's or the county's sales and use tax allocation, as well as its property tax allocation. If funds identified for transmission are in the possession of another taxing entity, the successor agency is required to take diligent efforts to recover such funds. A failure to recover and remit those funds may result in offsets to the other taxing entity's sales and use tax allocation or to its property tax allocation. If funds identified for transmission are in the possession of a private entity, HSC 34179.6 (h) (1) (B) states that any remittance related to unallowable transfers to a private party may also be subject to a 10 percent penalty if not remitted within 60 days.

Failure to transmit the identified funds will also prevent the Agency from being able to receive a finding of completion from Finance. Without a finding of completion, the Agency will be unable to take advantage of the provisions detailed in HSC section 34191.4. Specifically, these provisions allow certain loan agreements between the former redevelopment agency (RDA) and the city, county, or city and county that created the RDA to be considered enforceable obligations. These provisions also allow certain bond proceeds to be used for the purposes in which they were sold and allows for the transfer of real property and interests into the Community Redevelopment Property Trust Fund once Finance approves the Agency's long-range property management plan.

In addition to the consequences above, willful failure to return assets that were deemed an unallowable transfer or failure to remit the funds identified above could expose certain individuals to criminal penalties under existing law.

Pursuant to HSC section 34167.5 and 34178.8, the California State Controller's Office (Controller) has the authority to claw back assets that were inappropriately transferred to the city, county, or any other public agency. Determinations outlined in this letter and Finance's Housing Assets Transfer letter dated September 28, 2012 do not in any way eliminate the Controller's authority.
