Mr. John Dutrey, Housing Program Manager
City of Rialto
150 South Palm Avenue
Rialto, CA 92376

Dear Mr. Dutrey:

Subject: 2016-17 Annual Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (o) (1), the City of Rialto Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule for the period July 1, 2016 through June 30, 2017 (ROPS 16-17) to the California Department of Finance (Finance) on January 28, 2016. Finance has completed its review of the ROPS 16-17.

Based on a sample of line items reviewed and application of the law, Finance made the following determinations:

- Item No. 23 – Pusan Pipe Agreement in the total outstanding obligation amount of \$100,000 is not allowed. Pursuant to Section 408 of the Owner Participation Agreement (OPA) between the former Redevelopment Agency (RDA), the City of Rialto (City) and Pusan Pipe America, Inc. (Developer), dated August 11, 2009, the Agency Assistance payment for the Developer shall be made only until the sooner of: (1) the amount of \$137,500 plus five percent interest is reimbursed in full; or (2) a Closure during the Operating Period which is not excused. Although the Agency Assistance payment was intended to continue until fiscal year 2019-20, our review shows the maximum amount payable to the Developer under the terms of the OPA has been exceeded. Specifically, \$250,000 has been requested, and authorized, since the ROPS III through ROPS 15-16B periods. Therefore, the amount of \$100,000 requested on ROPS 16-17 is not eligible for funding. This item should be retired from the ROPS.
- Item No. 39 – Bond Servicing fees in the total outstanding obligation amount of \$44,000 are partially approved. Past invoices provided by the Agency only support the amount of \$11,759. However, our review shows the amount of \$22,000 was authorized for this item in ROPS 15-16B. Therefore, the amount of \$22,000 of Other Funds requested in the January through June 2017 period (ROPS B period) is not allowed.
- Item No. 192 – Cactus Channel Infrastructure Project in the total outstanding obligation amount of \$5,000,000 is not allowed. Finance continues to deny this item. Pursuant to HSC section 34191.4 (b), loan agreements between the former RDA and sponsoring entity may be placed on the ROPS if the following requirements are met: (1) the Agency has

received a Finding of Completion; and (2) the Agency's Oversight Board approves the loan as an enforceable obligation by finding the loan was for legitimate redevelopment purposes.

The Agency received a Finding of Completion on May 9, 2013. OB Resolution No. OB 16-03, approving a revised payment schedule for an existing Cooperation Agreement (Agreement) between the City and the former RDA in the amount of \$5,000,000 as an enforceable obligation, was denied in our letter dated March 18, 2016 because the Agency was unable to provide sufficient documentation to support the City contracted with a third party, or made payment to a third party, on behalf of the former RDA. As such, this item does not meet the definition of a loan as specified in HSC section 34191.4 (b) (2). Therefore, the requested amount of \$500,000 is not an enforceable obligation and is not eligible for RPTTF funding.

- On the ROPS 16-17 form, the Agency reported cash balances and activity for the period of July 1, 2015 through June 30, 2016. Pursuant to HSC section 34177 (I) (1) (E), agencies are required to use all available funding sources prior to RPTTF for payment of enforceable obligations. During our review, which may have included obtaining financial records, Finance determined the Agency possesses funds that should be used prior to requesting RPTTF. Therefore, with the Agency's concurrence, the funding source for the following item has been reclassified to Other Funds and in the amount specified below:
 - Item No. 7 – 2008 Series A Tax Allocation Bonds, debt service payment has been adjusted. The Agency requested \$2,539,757 from Redevelopment Property Tax Trust Funds (RPTTF); however, Finance is reclassifying \$22,000 to Other Funds. This item is an enforceable obligation for the ROPS 16-17 period. However, the obligation does not require payment from property tax revenues and the Agency has \$22,000 in available Other Funds. Therefore, Finance is approving RPTTF in the amount of \$2,517,757 and the use of Other Funds in the amount of \$22,000, totaling \$2,539,757 for the ROPS 16-17 period.
 - Item No. 8 – 2008 Series B Tax Allocation Bonds, debt service payment. The Agency requests \$2,339,751 from RPTTF; however, Finance is reclassifying \$32,666 to Other Funds. This item is an enforceable obligation for the ROPS 16-17 period. However, the obligation does not require payment from property tax revenues and the Agency has \$32,666 in available Other Funds. Therefore, Finance is approving RPTTF in the amount of \$2,307,085 and the use of Other Funds in the amount of \$32,666, totaling \$2,339,751 for the ROPS 16-17 period.

Except for the items denied in whole or in part or the item that has been adjusted, Finance is not objecting to the remaining items listed on your ROPS 16-17. If you disagree with Finance's determination with respect to any items on your ROPS 16-17, except for those items which are the subject of litigation disputing Finance's previous or related determinations, you may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available at Finance's website below:

http://www.dof.ca.gov/redevelopment/meet_and_confer/

The Agency's maximum approved RPTTF distribution for the reporting period is \$12,113,146 as summarized in the Approved RPTTF Distribution Table on page 4 (See Attachment).

ROPS distributions will occur twice annually, one distribution for the July 1, 2016 through December 31, 2016 (ROPS A period), and one distribution for the ROPS B period based on Finance's approved amounts. Since Finance's determination is for the entire ROPS 16-17 period, the Agency is authorized to receive up to the maximum approved RPTTF through the combined ROPS A and B period distributions.

On the ROPS 16-17 form, the Agency was not required to report the estimated obligations versus actual payments (prior period adjustment) associated with the July 1, 2015 through December 31, 2015 period (ROPS 15-16A). The Agency will report actual payments for ROPS 15-16A and ROPS 15-16B on the ROPS 18-19 form pursuant to HSC section 34186 (a) (1). A prior period adjustment will be applied to the Agency's future RPTTF distribution. Therefore, the Agency should retain any difference in unexpended RPTTF.

Please refer to the ROPS 16-17 schedule used to calculate the total RPTTF approved for distribution:

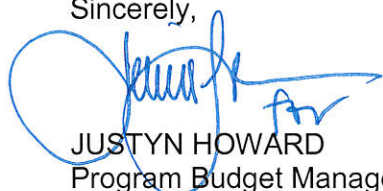

<http://www.dof.ca.gov/redevelopment/ROPS>

Absent a Meet and Confer, this is Finance's determination related to the enforceable obligations reported on your ROPS for the period July 1, 2016 through June 30, 2017. This determination only applies to items when funding was requested for the 12-month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for future ROPS periods. All items listed on a future ROPS are subject to review and may be denied even if it was not denied on this ROPS or a preceding ROPS. The only exception is for items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of Final and Conclusive items is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment available prior to the enactment of the redevelopment dissolution statutes. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the Agency in the RPTTF.

Sincerely,

JUSTYN HOWARD
Program Budget Manager
